This book is a collection of a series of research articles in the area of social sciences research. The book contains 21 chapters that analyze and discuss different concepts, themes and issues from both Chinese and Turkish Perspectives. The primary objective of this book is to expand readers' knowledge of political science, law, language, literature, culture, and ethnic diversity as well as their important implications.

Eyup Saritas (Ph.D.) is an Associate Professor in the Department of Language and Literature of Chinese, the Oriental Languages and Literature of Faculty of Letters at Istanbul University, Turkey. In the last two decades, Dr. Saritas traveled to many countries to complete his research projects. In 1997 and 1998, he studied traditional Chinese at Beijing Language and Culture University in order to conduct research in the field of Central Asian Turkish History. In 2004, he conducted research in Moscow, Russia. In the following year, Dr. Saritas conducted research at Göttingen University in Germany and then at Leiden University in Netherlands. In recent years, he conducted his research on the Ancient Turkish and Chinese Culture first at Lund University and Uppsala University in Sweden, then at Aarhus University in Denmark, and finally at Northwest University and Inner Mongolia University in China. Dr. Saritas's research interests center on Ancient Turkish and Chinese Culture. He has published many journal articles, books, and book chapters.

Erden Miray Yazgan Yalkın is currently a research assistant at Istanbul University in Turkey. She graduated from the Philosophy Department of Istanbul University in June 2004. During her undergraduate program, in addition to the philosophy and logic classes she also took psychology and sociology classes and completed both philosophy and formation education programs. In June 2006, she completed a second university program in public relations at Eskisehir Anatolian University. In September 2006, she was accepted into the Master degree program in philosophy at Istanbul University. In December 2007, she became a research assistant at the Philosophy Department of Istanbul University. In May 2009, she completed her Master's degree and started her Ph.D. program in September 2009. She earned her Ph.D. from Istanbul University on March 31, 2015. Presently she is still doing her research at Systematical Philosophy Department of Istanbul University as a research assistant.
